BANGALORE TOWN MUNICIPALITY.

The 20th April 1882.

Memo of propositions to be laid before the next Ordinary Meeting of the Town Municipal Commission to be held at their Office premises, Bangalore Taluk Cutcherry, on Friday the 28th April 1882, at 8 A. M.

I. The usual monthly accounts and mortuary return for the month of March 1882.

II. Proposal by the President to introduce a Bye-law framed in conformity with the resolution passed at the last meeting with reference to cess pits.

III. The consideration of the project for widening the Avenue Road running through the centre of the Town.

IV. Proposal by the President to dispose, by public auction, of the Municipal building now used as a watershed by one Kudur Nanjundaiya and situated in Dodda Pettah.

L. RICKETTS,
President, Town Ml. Comm.

SEASON REPORTS FOR THE MONTH OF MARCH 1882.

Bangalore District.

Rain.—There was no rain during the month under report.

Crops.—The crops dependent on tank irrigation are generally reported to have withered except those under a few large tanks which were in good condition. Sugar-cane and Vaisakha paddy were sown in a few places and sugar-cane harvested.

Health.—The public health has been good. Fever and small-pox prevailed more or less throughout the District.

Mortality.—There were 647 deaths during the month of February against 798 in the previous month, being a decrease of 151, of these 49 were caused by small-pox and 286 from fever.
